

ORDINANCE NO. 93- 2

AN ORDINANCE OF THE TOWNSHIP OF DOUGLASS, MONTGOMERY COUNTY, PENNSYLVANIA, AMENDING ORDINANCE NO. 91-7 AND ORDINANCE NO. 92-4 ESTABLISHING A WASTE AND RECYCLABLE MATERIALS COLLECTION SYSTEM, PROVIDING FOR COLLECTION OF CERTAIN WASTE AND RECYCLABLE MATERIALS, PROVIDING FOR PROMULGATION OF REGULATIONS IN CONNECTION THERE-WITH, AND PRESCRIBING PENALTIES FOR VIOLATION THEREOF

This Ordinance is intended to amend Ordinance No. 91-7 and Ordinance No. 92-4 establishing a Waste and Recyclable Materials Collection System by changing the reporting requirement in regard to multi-family housing properties and non-residential properties other than eligible commercial establishments so that an annual report (rather than a quarterly report) is to be submitted.

SECTION 13 is amended to read as follows:

"SECTION 13. SEPARATION OF RECYCLABLE MATERIALS AT MULTI-FAMILY HOUSING PROPERTIES AND STORAGE AND COLLECTION. All multi-family housing properties containing four or more dwelling units shall have a waste collection system established by the owner, landlord or agent of owner or landlord to comply with Act 101, aforementioned. Such collection system must include suitable containers for collecting and sorting materials, easily accessible locations for the containers, and written instructions to the occupants concerning use and availability of the collection system. Such collection system shall provide for and require separation of recyclable materials selected by Municipality and collection thereof for recycling at least one day each month. The owner or landlord shall submit an annual report to the Municipality on or before January 31 of the

following year indicating the total weight of recyclable materials collected during the prior year."

SECTION 14 is amended to read as follows:

"SECTION 14. SEPARATION OF RECYCLABLE MATERIALS AT NON-RESIDENTIAL PROPERTIES. All non-residential properties other than eligible commercial establishments shall have a waste collection system established by the owner or agent of owner to comply with Act 101, aforementioned. Such collection system must include suitable containers for collecting and sorting materials, easily accessible locations for the containers, and written instructions to the occupants concerning use and availability of the collection system. Such collection system shall provide for and require separation of high grade office paper, aluminum, corrugated paper and leaf waste and recyclable materials selected by Municipality and except for leaf waste, collection thereof for recycling at least one day each month. The owner shall submit an annual report to the Municipality on or before January 31 of the following year indicating the total weight of recyclable materials collected during the prior year."

In all other respects, Ordinances Nos. 91-7 and 92-4, above-mentioned, are reaffirmed hereby.

ENACTED and ORDAINED this 15 day of March, 1993.
