Stormwater Concern Form

One way to get involved in protecting our water resources is through concerned reporting. Township residents are urged to keep apprised of what is going on in the community surrounding them. If you see excessive erosion and sedimentation escaping an active construction site, or if you witness an illicit discharge entering the storm sewer system, please fill out the Stormwater Concerned Reporting Form so that we can investigate potential problems.

Date: _____

Name: _____

Address: _____

Phone: _____

Email Address: _____

Date of Last Rain Event: _____

Location of Problem: _____

Description of Problem: _____

Please indicate what type of concern you are reporting by checking one of the following:

<input type="checkbox"/> Illicit Discharge to the Storm Sewer System
<input type="checkbox"/> Construction Erosion and Sedimentation
